

Lectors- please pick up your workbook in the altar server room

EMs – please check for ‘HELP’s when you arrive at Mass and make sure you arrive at least a few minutes early on your scheduled days

Leaders – if Deacon Jim is assisting at Mass, check to see if he wants to read the Intentions;

-altar server captains are noted with ^ on the schedule – check with the captain before Mass begins to make sure all of the altar servers know their roles

Everyone – sign ups for December 23, 24, and 25 will be posted on the board in the greeting area in December

As always, schedules are also posted on our website at www.saintritawebster.org/schedules.html and if you know of anyone who might be interested in becoming a Liturgical Minister, send them my way.

Thanks for finding subs when necessary, filling in, and being all around awesome!
