

Pre-K through Grade 5

At St. Rita School you become part of a unique community that creates lifelong friendships and memories for children and parents alike.

# Come Grow With Us at St. Rita School

Now, more than ever, we believe our children need a strong foundation.

## What we provide:

- Faith-based education
- Academically rigorous curriculum
- Kind and caring environment
- Safe and nurturing atmosphere

## What sets us apart:

- A program that develops confidence and self-discipline
- Leadership opportunities at all ages
- Respect and courtesy are commonplace in our hallways
- Up-to-date technology in every classroom
- Parent involvement welcomed
- Buddy system that allows for regular interactions between older and younger students
- Wide array of extracurricular activities  
(Foreign language, Drama, Lego League, Odyssey of the Mind, Chess, Music, and more.)

Come Feel  
the Difference!  
Open House  
Presentation and Tour  
Jan. 18th, 7pm

*"We love St. Rita School for many reasons. We find the educational experience to be superior in that our child is achieving more in a supportive environment. The school community is smaller but there is no deficit in extracurricular activities. The school includes NYS core curriculum and is responsible and ethical in their choice of materials and content."*

—Mother of a fourth grader

Where Faith and Knowledge Meet...
